

'Tis the night before Christmas, at our northernmost pole
And all through Santa's [Village](#) it's almost time to roll.
The elves have been working hard for this night
Santa's village is abuzz— [tonight's the big flight](#) !
Google's [Santa Tracker](#) launches today—
And it's time to follow the jolly man's sleigh.
He's off on his trip 'round the world
Delivering toys to all good boys and girls.

You've got a front-row seat to the show
Just fire up Google Maps to see where he goes.
Thanks to the elves' precisely [coded route](#)
Santa and his reindeer will fly swiftly—look out!

dragging, and making the Santa character run.
